“ This is a tough one. I have the upmost respect for this wonderful lady. Not only was she my mother-n-law for nine years of my life, but I have known the family all my life. She will always be in my heart. Of course, I wished I would have spent more time with her. She was a very special lady. I have a lot of special memories of her and being a part of her life. Lots of fun times playing poker at night with Marvin and no matter what time of the night it was, if someone was hungry, she cooked. Mary Jo spent her life always caring for others, family or not family. I could go on and on about the time spent with her and how great she was but it would take a long time. She is in Gods hands now, and he will take good care of her. Time for her to rest. Condolences to all family members.
