

## Michael Anderson Dobbs

September 5, 1965 - July 8, 2023

Michael Anderson Dobbs, known to most as “Mike” passed away at his home in Mounds, Oklahoma on July 08, 2023. He was born to James and Leora (Jolly) Dobbs on September 5, 1965 in Tulsa, Oklahoma. Mike grew up in the Beggs area, graduating with the Beggs class of 1984. Michael was hired by Southwestern Bell and retired from what is now AT&T as a project manager. Mike was truly a jack of all trades. It doesn't seem that there is anything he could not do if he set his mind to it. Mike was a lapidarist, who cut stones and created beautiful jewelry. He flew Ultra-light planes, and raced slot cars. Mike was good at flying drones and 3-D printing. He loved to travel and scuba dive in Cozumel. Back home he enjoyed camping and trout fishing with his family. His family said, “they didn't realize how many hobbies Mike had”.

Mike is preceded in death by his father James Dobbs. He is survived by his mother Leora Dobbs, wife Regina Dobbs, daughter Paige Jewell and husband Gage, son Colton Dobbs and fiancé Kaeley Taylor, grandchildren Henley Hauglund, Maddox Jewell and Indy Jewell, a brother Bradford Dobbs, his best friend Mark Montgomery, numerous nieces, nephews, and friends.

A Celebration of Life will be held Monday, July 17, 2023, at 2:00 P.M. at the McClendon-Winters Funeral Home Chapel in Beggs, Oklahoma.

Arrangements have been entrusted to McClendon-Winters Funeral Home of Beggs. Memories, condolences, photos and videos may be shared with the family on Mike's Tribute Page of our website. [www.mcclendon-winters.com](http://www.mcclendon-winters.com)

“ Some of my fondest memories from childhood are of Mike when we would visit for holidays and weekends.... Sitting on the creek bank trying to dry off before we went back into the house after we were told not to go down to the creek; shooting off fire crackers on 4th of July; getting to enjoy in the many adventures Mike always found (his ferret, his quails); his fun-loving personality and sense of humor. As we aged, it became years between visits but he was always the same endearing, warm, funny, hospitable person regardless of time; he was such a great father to his kids that he was so proud of and such a joy to talk to with his wit and wisdom; so many things that he did so well - so many things I never got a chance to learn from him; it breaks my heart that he left us so soon but I cherish having him as a cousin. My Mom (your Aunt) who shared your birthday of Sept 5 always remembered the many times you celebrated your birthdays with gourmet meals that you cooked for us all or a generous dinner you took us to out in Tulsa. God speed to your next adventure Mike - thanks for all that you shared with us - we miss you, and love you. Colleen & Susan Ellis, and Beth (Ellis) Lawanson & Family

“ Michael was a brother to me in heart and soul. Sometimes I think that God kept us so far apart from each other because of the all the trouble that we could have gotten into! I am forever grateful for our long conversations on technology, our children and grandchildren. I was so hoping that he was going to make it up to our cabin in the woods in Northern Michigan with his trailer. Too many RC car races left unraced, too many pistol shooting events undone, too many science experiments unaccomplished. I am truly honored to have known and worked with Michael and am heartbroken. Seeing you again will be one of the happiest days in eternity. Hopefully God will let us get into trouble in Heaven.
