

Michael Henry Logan

April 18, 1948 - August 20, 2020

Longtime Tulsan Michael Henry Logan died in his home Thursday, following a battle with pulmonary disease. He was 72.

The long-time City of Tulsa engineering inspector was born April 18, 1948, in Kansas City, Mo. The following day, Gladys (Marsden) Logan arrived at the Willows, a Catholic orphanage in Kansas City. Her birthday also was April 18, and she regarded the infant as a gift from God. She and her husband, Frances E. Logan adopted and raised Mike in Okmulgee.

His college career was interrupted by a two-year stint in the Army. From July 5, 1969 until July 6, 1970, Mike was point man in a search-and-destroy squad for the Americal Division in Vietnam. He was awarded the Bronze Star and the Combat Infantry Badge.

Mike returned to civilian life at Northeastern State University in Tahlequah, where he earned bachelor's and master's degrees. He was a member of the Freemasons, Scottish Rite and the Shriners. He loved Corvettes, fast motorcycles, swing dancing and German Shepherds.

He was preceded in death by his parents and his two beloved dogs, Sasha and Shadow. Mike is survived by best friend and loving caregiver, Robbie Whiteley, Winchester; his former wife, Cathy Logan, Vancouver, B.C.; son, Adam Milam, Muskogee; daughter Kendal Hopkins, Vancouver, B.C.; and grandchildren Jason and Ava Hopkins. Services pending with McClendon-Winters, Okmulgee.

“ *Mike and I first met in Vietnam July 1969. We both had been helicoptered to FSB Hill 4-11 a week apart. Through the years we had stayed in touch with calls, emails and a few visits. Mike wasnt into long distance traveling however he liked to stay in touch with an army buddy. This year 2020 has been tough on many people however I hope to give my respects in person some day.*

“ *My husband Lon and I always admired Mike’s beautiful yard and all the various Japanese Red Maples and manicured green grass. It turned out that Mike would dig up the sprouting baby trees in his yard and put them in pots, baby them and transplant in his yard. We were lucky enough to be given two of his nurtured baby trees and we planted in our front yard. Lon and I visited Mike and exchanged names of handymen, plumbers, yard maintenance and sprinkler maintenance folks. We exchanged Christmas gifts. He was a very sweet man and we miss him. We know he can rest now and is no longer in pain. Rest In Peace dear friend.*
