“ *Mike and Sandra have been good friends and neighbors for 13 years of my life, Mike was always there if I needed something, I could tell many stories but one comes to mind, Mike told me one day that if he and Sandra won the Lottery they would buy me a new home, we laughed because we didn't even buy tickets, Mike is in his mansion now, we miss you and will see you soon.*

“ There are so many wonderful things that I could say about Michael. He was such a precious person! Always so very positive. When I got word that he had "gone home" as he called it, I was so very sad. But not like I had expected to be. I know it's because he's gone to a place to be with his saviour Jesus Christ. He was more than my favorite cousin, he was my friend. If I needed prayer I knew I could call him and he was happy and proud to pray with me. He never failed to witness to anyone and everyone! Even in the hospital when I know he felt so ill. I'm so glad I was able to spend time with him and Sandra in Houston while he was having his treatments. Those times are very special to me. I will never forget you Michael!! Please save a place for me and I'll see you someday! To Sandra, Lyne, Jr., Julie, and boys, I'm so sorry for your loss. My thoughts and prayers are with all of you!!!##imported-begin##Joyce Casey Wood##imported-end##

“ May God comfort & Bless your Family & loved ones through this. I lost my niece last month, she suffered brain cancer, but she didnt lose her battle to cancer & neither did Mike, because the battle was won by our Savior, when He died on the cross so that we, as believers, could be forgiven of our sins & have everlasting life!##imported-begin##Teena Cates##imported-end##
