“ *I lost my best friend. I think of Aunt Minnie every single day. I miss her laugh, her contagious smile, her wisdom, her positive attitude, playing mexican dominoes, walking the property line with her with Reo and Sambo by her side. I'll always remember all the wonderful meals, cookies and cakes she enjoyed preparing. I have never known anyone like Aunt Minnie. My heart is sad, but I know she is in a higher place and saying at the top of her lungs: Heavens -- Really -- Honestly -- and Truly!
I love you Aunt Minnie.
My thoughts and prayers are with her family always.
Love, Na###imported-begin##Naomi Austria ###imported-end##*

“ To Minnie's children whom she loved:

I thought Minnie would go on forever, so strong and courageous she always was. We were friends from Lindenwood days and I treasured her friendship.

I regret not being able to attend her memorial service today, but I regret far more not having called her some of the many times I thought of her.

With sincere sympathy for your great loss, Pat##imported-begin##Pat Deisenroth##imported-end##

“ Dear Jan, Jane, & families,

I cannot tell you how very much your Momma meant to me & my twins, Gracie & Kenny. Minnie & her light were so very prized by us. I admired her so much, raising the three of you on her own. Her strength & perseverance were an inspiration to all who knew her, regularly astonishing & endearing herself to all with her wit, her light, her spunk.

Minnie's positive outlook was so much like my Daddy's. They were fast friends, & he always asked about her well-being & vice-versa. She was there for me last October when God called my beloved Daddy Home. A few, short months later, she stopped in & we went to lunch in Daddy's new car. Life was always just a little brighter when we got together. I loved that woman so very dearly... My thoughts & prayers are with you all at this sad time. Please know, I feel extremely blessed to have loved & to have been loved by our Minnie.##imported-begin##Aloha Kuykendall##imported-end##
