“ *Lynn, Kelly, Matt, Katie, Maggie, Anna, John, Nancy, and Sara Ann, your Ed made a difference in the lives of others and in your family. He will be thought about, loved and missed because he was, and will always be part of the cement that holds the foundation of your family together. I send my profound sympathy and prayers for each of you to feel the love and comfort of all those who love you. Lynn and Kelly, Ed knew you were with him. He fought and tried very hard to get well. You were with him and it made a difference. He is at peace. Try to follow his lead as you adjust hour by hour. His love lives in your hearts.*
