“ *After retirement from the Navy, our family shared many happy moments while traveling in our motor homes/5th wheels with Doyle and Fran. Doug and Doyle were in the submarine service and on the same boat. Fran helped Janet and kids, while Janet was in the hospital, and the guys were deployed. Doyle was such a happy man who gave of himself endlessly. Fran was just a joy to be around and could cook circles around many chefs. We will miss them both and hold in our hearts so many great memories. With much love and care to their families. Doug & Janet Parish*

“ I was sad to learn of Doyle's passing. He was my boss for several years, it was ea joy working with him. He went out of his way to help me. I had an old car and the window wouldn't roll down, making it hard for me to make bank deposits through the drive through. Doyle co-signed a loan at the bank to help me get a new car. He also so his El Camino to my husband to help him get back and forth to work. He was a very generous man. He will be missed by all who knew him and that will be lots of people because he knew everyone. My prayers of sympathy and comfort to Fran, the boys and their families. RIP
