“ *I met you at a turning point in my life. You never judged where I came from. You accepted me for me. You loved my babies and they love you. Our hearts are heavy, but we know that you are still watching over us all. I blessed to have had you in our lives. You will never be forgotten and will always be Mimi in our hearts.*

“ Nancy was full of life and always cracking some type of jokes - she was my mother-in-law for fourteen years and we remained close even after the divorce- one of the funniest things I remember was when my daughter spent the night with her and Charles- now usually my daughter had a pretty good disposition but I guess was a little grumpy the next morning so her Papa Charles asked her if she got up on the wrong side of the bed this morning to which she replied “no Papa- I got up on grandmas side”- well that explains it he said- we had such laughs about that. I will miss her sending me funny Facebook messages. She was truly full of life most of the time-

“ So long Nancy, we'll see you on the other side. I know you are surrounded with the most love and joy unknown to us down here. The greatest of rewards for a well deserved life you led. I love you.

“ Although our time was brief, it was well spent with laughter, easy connection, love of our family, honesty, and girl talk outside. Mimi was a blessing we never expected when our daughter married Logan and we are so grateful for her and the legacy of love she built with her life and family. I look for you in the stars Nancy...❤️

“ I am so sorry. Your mother touched so many lifes, mine included. I met her  
At least 20 years ago thru CASA....how she loved those kids. Our world will miss her dedication, perseverance, and love of family and football. Prayers for your family. We are heartbroken.
