*I miss Nathen. I heard about his passing only a few months back. Lots of memories to enjoy. Today I remembered riding in the back of his dad's truck with him to go to a lake for the weekend. First time I had biscuits and gravy. I never got to give his family my regards.

Nathen was the youngest of my parents grandchildren. We spent many great times together at family gatherings. So glad we have those memories to hold on to. Our hearts are broken to have lost him at such an early age. We will always love him and will pray for Jessica, Debbie and Wade and all family members for strength for the days ahead.

My heart breaks for you Jessica and Mrs. Stafford. When I look back on my life, I am always glad that Nathen was part of it. He was so full of life and fun. And very special to all of my family. I am so sorry for your loss, but I know we all have such great memories to make us smile.

Nathen was our nephew. It was a common occurrence to get to be with Nathen's family as well as other family members while our kids were growing up. We always had fun and enjoyed each other's company. We were always proud of Nathen and his accomplishments. His leaving has left a big hole in our hearts. We send our love to Jessica, Debbie, Wade, and to his other family members and friends.
