Teri, this is Sandra James. Your Dad was my cousin. Roy and Constance were my parents. So sorry to hear about your Mom. I always visit the cemetery when I'm in Okmulgee. Will there be a service for Nina? Prayers for your family.

I have known Nina since 1960 when we became her next door neighbor. Nina was one of the sweetest ladies I have ever known and she was dearly loved by all the neighborhood kids who have now all become grown ups! I have so many memories of Nina but two stick out the most to me, once it rained in our neighborhood for a few days and all of the ditches were full of water and crawdads. Nina told all of us kids to catch as many of them as we could and she would cook them. We worked all day and caught probably 100 crawdads at least, but when she had cleaned them all and battered them there was only enough for each kid to get a bite! Then Nina fixed my hair in an updo for my first Prom. Teri my deepest Sympathy for you and your family. Your Mother will be missed!
