“ I had the pleasure of knowing Noreen thru her career in the Electrical Construction department for many, many years with my husband at OSU Okmulgee. Even into retirement her spontaneous calls were equally informative as they were full of laughter. One of her brightest qualities was her love and dedication to family - you were always front and center in her life. Please know you are in our thoughts as you celebrate her life. “ I will miss my long time friend Noreen. She helped me learn how to drive in her little red Volkswagen Bug back in the 60's. We had a lot of good times. Noreen was kind to me thru out the years. I'm sad for her family that she has passed but believe she is in her forever heavenly home because she knew her Savior Jesus Christ. The peace of Christ be with her family and friends.

“ Dawn and Aimee.... Your Mother was my good friend during those years we worked at the college...she was smart, quick to learn, a great 'multi-tasker' and could be counted on to get the job done efficiently....usually with a little extra time to spare. You both meant everything to her and your children gave her even more joy. My sincere sympathy to all of you for your loss....you have lost your best friend.

Dawn and Amiee-Your Mother was a very dear friend of mine. We  
worked at OSUIT together for many years. Lots of memories, lots of  
sharing. We would get together and solve all the problems of the world.  
I will miss her! God be with you.

I am so sad to learn of Noreen's passing. I worked with her at Wal-Mart  
(Okmulgee) in the late 70's. Even though I had not seen her since that  
time, I remember her as a very sweet and pleasant person to work  
with. Always had a smile. I am so sorry for your loss.
