“ *We thought of Sister Berry as the "hat lady" because she always wore one when we saw her. Her ready smile and the intelligence behind her sparkling eyes will remain fond memories for our family.##imported-begin##Betty Himes##imported-end##*

“ *I have many fond memories as a child of visiting Mozelle and Grandma Berry. I loved the candy bowl obviously, but also fascinated with the player piano. We hardly ever failed to have a great cooked meal or the bucket of chicken from KFC. Mozelle was a fine example of a christian woman. She also loved hats.##imported-begin##Jay Berry##imported-end##*
