“ Dear Mom, We miss you so much. Would love to have heard from you the last few days. But your eyes spoke volumes. And through all your pain you never felled to smile at each one or loose your humor to make us more at ease. In our grief Carl finally figured out why you went early. You needed to be there to prepare a gathering for Dad's birthday January 7th. We were reminded yesterday " God's Will, will never take us where the Grace of God will not protect us" Tell everyone hello till we meet again.  
Love ya,
