“ *My condolences to the family of Ora Mae. Ora and I were co-workers at the Okmulgee Rehab Center and at George Nigh Rehab Institute. Ora was always efficient and able to get things done. Ora had a positive attitude and a good sense of humor. Ora was fun to be around. She always helped people in times of their need. Ora loved her family and spoke about them often. We will miss Ora.*

“ *Extending our deepest sympathy to the immediate and extended family of Ora Mae. For whatever reason, our paths went in different directions after the death of my father. Looking back at the years he and Ora Mae spent together, I know they were spent in love, kindness and consideration to each others needs and well being. Again, our condolences for your loss.*
