“ *The depth of our pain at the departure of a loved one is our greatest tribute and most genuine testimonial to that life. I write this through tears, as I loved Pat very much. She was my "Mom II" since 2nd grade when her eldest daughter, Sarah, and I became best friends. Sarah, Mary and Curtis -- I love you all and hold you in my thoughts and prayers.*

“ *Mrs Doan has been a big influence in my life. I knew her from the time I was 12 to 18 years old. So many time I thought about her grace, beauty and dignity when I started to make a decision. I always knew, if I followed her lead, I would make a good and gracious one. Thank you, Mrs. Doan, for setting such a wonderful example for many people. May God bless Curtis, Sarah and Mary Virginia.*

“ Dear Doan Family,

*We are grief stricken to hear about the passing of Ms. Doan. Our dearest customer and close friend what a terrible loss to the world. Such a wonderful person, with great stories to tell. We would drive from MN to drop off one of the many framed needle points she created. We loved spending time with her in her home and visiting, hearing about the cougars and other critters in yard.*

*We will miss you so Ms. Doan the lovely sparkle in your eyes and warm heart, you've touched our lives in a way that will never be forgotten.*

*With deep sympathy.*
