“ *RIP pitty pat. I don't have a childhood memory of visiting my grandmother's house without crossing the street to her house to go play. Her and her husband were the sweetest people I knew growing up. I know heaven has truly called home a angel. Prayers for the family.*

*I am sorry Bob and I can't be there with the family as you honor your beloved mom and grandma. Be assured that you are on my heart in my prayers today. I find comfort that as HIS saints gather in the place that HE has prepared for us Heaven grows more dear. Love to all of you,
Amy*
