*My brother, Butch Wright, sent this to me today.  
Had no idea he passed.  
We were in Lawton and met in church.  
The Arnold's were a great family.  
It looks like Paul had a great life.  
I look back at our time in Lawton with great memories.*

*Sorry, I sent this before I was finished.  
It was a great bunch of kids at church in Lawton.  
We had good times on Sunday nights.  
Paul and Maggie were great friends and we had fun together, even though they deserted us and moved to Chickasha!  
Of course, we moved to Arkansas, so I guess it all evened out in the end.  
We lost touch over the years, but the good times have stayed with me over the years.  
Sorry this is so late, I hope someone in the family gets to see this!!!

“ *Uncle Paul, You will be greatly missed. I'm sorry that I wasn't always around to spend time with everybody. Seems like just yesterday in the big white two story house where we all gathered for family time. Only wish it could have been more often. You were always a special person in my life and my mom's life.....always there for whatever reason. I know that mom loved you very much as a sister should for her brother. Sherry,  
I am so sorry I couldnt be there. I love you all very much.  
Love from your niece,

“ Paul had a kind and loving spirit. After my dad moved away from Okmugee to Muskogee, he always made a point to visit him when he was in the vicinity. That meant so much to my dad. I can see them together now catching up and just possibly, laying tile together.
