“ I am just totally heartbroken for you Jeanetta. It is Wednesday eve and I just heard the TV news from the other room and went straight to the computer and didn't want to confirm it was your precious daughter. Your family was very special to me during my time at the pediatric clinic and I wish I could give you a hug. Love Always, Lori PaskVan, Piper's pediatric nurse practitioner several years ago. p.s. If I had known this before now I would have been there today.##imported-begin##Lori PaskVan##imported-end##

“ I am so sorry for your loss. Piper was always a joy to have when she came in for her dental exams. We loved how helpful and sweet she was. The Lord will give you strength and comfort. She was such an angel here with us and she is an angel in heaven waiting on us. With greatest sympathy,

“ Shawn and family, I am so sorry to hear of the untimely death of your beloved Piper. Please find comfort knowing she is with the Lord, running, playing, chasing butterflies on the golden streets of Heaven. May God give you strength, memories give you comfort and the gift of tomorrow give you hope.

You are in my thoughts and prayers.
