April 15, 1958 - March 1, 2015

Polly Denise Ewing passed away Sunday March 1, 2015 in Beggs, OK. Polly was born April 15, 1958 in Okmulgee, OK. to Bill and Una Aldridge of Beggs, OK.

Polly enjoyed taking her boat to the lake and fishing. She loved the outdoors and her dog PD. Polly was an LPN and worked at the Gardens in Sapulpa. She was a very passionate nurse and had high expectations for the people helping provide care for "her" residents and their families. She loved being a nurse and was good at what she did. What she loved most was spending time with her grandkids. She was very proud of all three of them. She enjoyed "grandkid time" by taking them to the movies and going to their sporting events. She loved laughing and joking with them.

Polly is survived by her parents Bill and Una Aldridge of Beggs, OK; Daughter Karrie and husband Matt Raby of Mannford, OK; sister Patti and her husband Harry Messimore of Beggs, OK; brother William Aldridge, Jr. and wife Wraylene of Beggs, OK. Nephew Jason Aldridge, niece Kendra and husband Shyler O'Brien, nephew Kyle Aldridge, great nephews Nolan and Maddox O'Brien, grandson Jackson Hampton, and granddaughters Valley and Natalie Raby.

She was preceded in death by her son Jeremie Wayne Aldridge. She loved

Jerry very much and missed him greatly.

Polly was loved by so many people and touched so many lives. She will be missed.

“ *My heart is broken for my uncle and aunt tonight. I have the best memories of spending the summers with them. Patty and Polly were a big part in my life growing up we had so many good times. Polly was as beautiful on the inside as she was on the outside. The last time i got to visit with her was as though we had just talked yesterday she was always so open and precious so full of love just like the rest of her family. I know i will see her in Heaven she is another light in Heaven now cant wait to see her. Love to all of u.

“ *There isn't enough room to tell all the fun we had over the years!! We were inseparable for so many years but I was thinking back to when you were living with me and Justus had a dwarf hamster named Bandit. We named him that for a reason. He liked to escape! We would put him in his ball to roll around the house and we would go to get him out and he wasn't in there. He was already out. Lol we never could find him. But after a while I would here Polly scream really loud because he ran under her bed!! He liked it there. That's where he went every time. But she has always been there for me and my whole family. There is a part of me that left with her. I lost a sister and a friend. I love you Polly.*

“ When we said "Good-bye! Have a good weekend!" on Friday afternoon, I would have never guessed that this would be the last time that Polly and I would speak.

*Polly took pride in her job and loved her residents. She treated them all as if they were her own family.*

*Polly also loved to have fun at work. She always dressed up for Halloween, played games, played tricks on people and we even got her to dance a few times!*

*Polly told many of us that she couldn't wait for the day when she could go to heaven and be with her son Jerry. We all told her not to rush it! She said she wouldn't rush it, but when her time came, she said she'd be ready and willing to go.*

*That is the only bright spot in this situation. While all of us here are missing her, and we wish she'd been here longer, we know that Polly is happy and she was ready when her time came.*

*Polly loved her children, grandchildren and the rest of her family beyond measure. I send them all love and prayers for peace. Polly and Jerry are both watching over all of you now.*
