“ *We are so sorry to hear about Rachel. We can remember her walking past our house with one of the miniture horses. It made us smile because the horse was like a very large dog as it followed Rachel. Since we no longer live in Okmulgee we don't always know what is happening in our old neighborhood. This is not what we would have expected. We watched Rachel and Sarah grow up and become lovely young women. The world has lost a truly good person. May we all aspire to be as kind and generous as Rachel. Our love to your family and those precious boys. We will always remember all of you and be grateful you were in our lives.
