“ I met Randy and His loving family about 8 or 9 yrs ago, we dated for a couple years...One of the things I loved the most about him was his unconditional love for his children, Amanda, Amber and Josh....May god give you all peace and comfort! Another thing I loved the most about him is he had MORALS and consideration for others feelings...that is a very very rare trait now a days...Randy Kelley and his family are some of the best people I have ever had the pleasure of knowing, and I will love them all until my day comes to go be with the Lord....God Bless you all, and I wish nothering but happiness and peace for your lives.....SALLY SPROUSE RIP Randy, will miss you just knowing your not on this earth anymore, but I will get another bear hug, when God calls mane!! :)

“ My name is Sabrina, I am the siater of Crystal Kelley. My son Colton had a seizure and was admitted to childrens, I remeber Crystal, Josh and Randy visiting us and making my son crack up laughing because Randy was pretending to be a dinosaur while they were playing with little dinosaurs. I loved it, it was the cutest thing.
