“ In this life you meet and have a lot of friends, but its rare to find someone who makes you feel like he’s a brother. I can honestly say Rashie always was like a brother to me. The world is going to be a little less warm and friendly without him and that smile. Both me and my wife will always remember his laugh, his smile, and constant friendship. Our thoughts and prayers go out to his family and all the people who loved him and will miss him every single day. Murry and Teena Chapman

“ Rashie Lee Grogan was my beloved cousin. He had a beautiful smile and a wonderful laugh. I remember all the summers that he and his family came to California to visit. He is safe in the arms of Jesus now and I know I will see him again.

“ I, Nancy Dunn, went to elementary school and high school with Rashie. I remember the first day of school when the teacher called roll and got to Rashie's name they would always get his name wrong, so he would quietly correct them. May God give you peace during this difficult time and may his memories live on.

We grew up with the Grogans. So many good memories on the farms. Spent most Thanksgivings with the Grogans. My brother Randy Davis and Rashie were good friends and were always playing pranks on their sisters. They would be laughing while we were running and screaming away from a wasp next they shot down. Tammy and I got stung and those 2 got a good laugh. Rashie always had such a great smile. Rashie was a very sweet kind gentleman. He is in heaven now no more suffering. May God give peace and comfort to all family and friends.

I will always remember you, Dad. I'm thankful for the many trips we took together, the many memories you left us with, and the things you taught us all throughout the years. You had such a gentle impact on everyone you met and you will be missed dearly. Thank you for being the man and father you were. I love you, Dad!
