“ *Ray was a good man. He helped make me feel welcome when I started at UCLA. He made me feel like part of the family. His laugh was contagious and he was fun to be around. My condolences go out to his family. -jesse*

ray you will be missed, your smile and laughter in all the pain you daily went through. ray loved to fish and just be out with the boys. ray loved mammoth, the fresh air, the fish and time away from work. although ray did love work and getting his hands dirty. he was a wealth of knowledge of ucla and plain old school work ethic. these traits are hard to find these days. ray loved to golf being on the green with him was like watching poetry in motion. he could hit that ball straight as a arrow most of the time killing me and skimming by ricky by a point or two. ray thank you for what you gave me and my family, a true friend, a work buddy and a breakfast date.
