“ *Sis, you are in our Savior's care now and are with our family that have gone before you. They will take care of you and help you to progress and enjoy a most wonderful peace and comfort that can not be felt in mortality. You are with family that extends even to our Heavenly Father, say hello for the rest of us and enjoy the final step on your journey through eternity. We will miss you only for a short time until we will all be together again in our first home. I love you, your 'little' brother. Jim###imported-begin###James & Shirlene Seigal###imported-end###*
