“ *Today, I am mourning the loss of my friend Joe's mother Reba Jo. She and Bud have welcomed me into their home since I was little. They have considered me to be one of their own son's. Morris has lost another pillar of the community. She and Bud worked tirelessly to keep their store, Reynolds Lumber and Hardware, running for many years. My heartfelt sympathies go out to the rest of the family, that they may find comfort and rest in this time of sorrow.*
