“ *Becca, Priscilla, & I worked together at HeadStart. Becca was always so sweet... so kind. She had a gracious manner accompanied by such a great laugh. No one ever had a bad word to say about her. She was a light unto this world. We lost a beautiful soul when she passed ...but HEAVEN gained a beautiful soul.*

“ Auntie was more than a aunt to me. She was the true meaning of love. When I was a little girl she opened her home full of Jesus for me. She taught us all about Jesus, took us to Sunday school and church. We witness this woman of God walk her path serving the Lord, loving her husband, caring for her kids with tenderness. She made her home a place you felt safe and loved. Truly a witness of Jesus love. I can heard the Lord saying: "WELCOME HOME my daughter, my missionary, my teacher, my obedient follower, and my Light to the World. Your work on Earth is complete my Faithful Worker. I wrap my arms around you instantly no more pain. Death did not take you, I... your Lord... brought you home to your Heavenly Paradise to live on with me. We will watch over your loved ones until I call them home. Now REST my Faithful Servant....You Are Home." Aunt Rebecca thank you for teaching me to love Jesus at such a young age. Thank you for your live and kindness. And by leading by example to be a Woman of God. ALL. IS. WELL! Love You Much/fromKeda,. Chiquita Anna Simmers P.O.Box 2451 Sapulpa74066

I loved Aunt Becky and all the times I spent with her. Circumstances won't allow me to be there with the family at this time. But I do know she is praising God along with Uncle George and I'm thankful for that. May God continuously bless the family. Sending prayers of comfort. I love y'all.
