“ I remember Becky & Jerry fishing at our pond near Beggs. One time they brought minnows to fish with and everyone was catching fish. Jerry had one he was putting on the stringer when Becky starts hollering to not let him get away. Jerry is looking at the fish in his hand with the stringer in the other hand when his pole comes splashing by him into the pond. Becky is hollering, Jerry has both hands full and his pole is disappearing in the water. Jerry finally gets the fish & stringer in one hand and dives for his pole with the other making a miracules catch. Becky and all of us were laughing so hard we couldn't do anything for a couple of minutes. Those were the good times.
