“ *Gina, I am so sorry to learn of your passing, it saddens me deeply. I will remember all the good times we have shared down through the years; like when I babysat "Brother" and flushed his diaper down the toilet. The time we went shopping and you were wearing boots and trying on dresses. We laughed so hard I thought they were going to throw us out pf the dressing room. We have shared a lot down through the years. Life hasn't been kind to either one of us. I too, am in a Ventilation and Nursing Facility and have been for the past year and a half. I currently have a trac and feeding tube and no longer get and walk. I found out earlier this week Orveletta Ashlock, passed away the May 12, 2014, she had Cancer. Who would ever think I would out live both of you. I guess what they say may be true "the good Lord has work for you to do". I will dearly miss you and remember you always dear friend.*
