“ *I remember one Thanksgiving a long time ago at Aunt Patsy's and Uncle Fred's. Aunt Carolyn and her boys were all there. Rexie took all us kids out on the land on the four wheeler all day long. He was just a blast. Then, he and Timmie had to take turns showing off. That is one of my first memories of him. I remember him as full of life and and fun. And he ALWAYS made sure to take care of beautiful mom. He was just wonderful, dependable, and just Rex.*

“ Rex was not only a co-worker but also a friend. I remember after an Annual Meeting at the Coop Rex worked overnight to keep an eye on things that were still outside the building. Upon arriving the next morning (clean up day); All the chairs were stacked in parking lot and trash had been swept up also.
He said "it needed done and I was here"! That's one of many good qualities I will remember about him! He loved taking care of the members! RIP Rex, we will see you again!!

“ I've known Rex a long time, almost as long as I've known you, Deidra. Rex had a ornery side and a good heart. He was always smiling and joking around.
I believe the Lord brought you two together for a reason, even though the time was short. Rex gave you love and hope for the future. You gave him faith and support when he needed it most. I love you my friend.

“ Rex has been a good friend for a long time. We have had some serious talks and some funny times together. He was a good employee and always there for the members and the employees of the coop. He will be really missed, but not forgotten. May God bless the entire family for your loss.
