“ *Sending condolences to the family. I remember Richard (Dick) very well. I also worked many years for Lear Siegler and we worked together on several projects and also on some hiring trips. He was a good and friendly man, all who knew him would likely agree that he surely did not meet many people he didn't like or visa versa. RIP Dick, Paul Falcon, St Louis, MO.*

*Thank you Paul, enjoyed reading this from one of dad's co-workers. He really had some adventures at LSI... always enjoyed his stories. Your last sentence held true to the end.

“ Richard was my school mate starting first grade at Osage Hill then on to Beggs until he left along with the rest of our boys in our class for Korea. I did not see him a lot in our adult years but when I did he always made me happy. I have never driven West on HWY 16, past he old Roach home place and later his home,that I didn't automatically start smiling. Go rest on that mountain Richard and we will see each other again
