“ *Alice and Joan, my deepest sympathy to you and your family. You may not remember me; my name is David Shick. (Davey). For 20 years my family lived in the house North of the Badger home on South Okmulgee street. Joanie, I will always remember our fun summers in the mid 1950's that you spent with your grandparents. I have always considered you my first friend. If you would ever like to "catch up" on old times, my email is dshick@cox.net. Once again, I'm very sorry for your loss of Mr. Dangott.*

“ *I've only known Bob for the last ten years, but he was one of those men you find yourself trying to model yourself into. His and Alice's love and devotion to my wife and girls for years has been amazing.*

*My favorite moment with Bob was while taking him to the airport and him sharing his stories of Pearl Harbor.*

*We will miss Bob and pray for Alice and the family through this sad time.*
