“ *A special dad is hard to find,
You dad I'm keeping in my mind,
I wished you could have stayed forever,
But I will never forget you oh not ever.*

*If dreams weren't dreams and dreams came true,
I wouldn't be here I'd be with you.
Distance is one thing that keeps us apart,
But dad you will always remain in my heart.*

*A special smile, a special face, a special someone I can't replace,
I love you and I always will,
You filled a space that no one will ever replace.*

*Love you forever, Thank you Dad for every thing you gave me.
Love you, Becky##imported-begin##Becky Quincy##imported-

“ *Thelma - My heart is with you as well as the rest of our family ! I wish that I was able to come and see you with my dad. If you ever need a thing dont hesitate to call one of us - He was very much a loved man with wonderful kids and Grandchildren - it is time for all of us to cherish the memories we have had with him and know that he is with us all of the time instead of some of the time. I Love You Guys - All of you and just remember , he is in a better place !*
