“ I graduated high school with R.E. and we played baseball together during much of our "early years" and High School. His dad, and my dad coached baseball together during the summers and we spent quite a bit of time together. He was always one of the nicest guys I knew and I am blessed to be able to call him a friend. I will always treasure his friendly smile and easy going demeanor. I am remembering many happy times we shared growing up in Okmulgee. His sisters, Norma and Sharon; and his children and grandchildren, are in my prayers.

R.E., God bless and keep you my friend!
