“ *Rose Theresa Andrina*

“ *My precious memories of Theresa and Joe Dean will always be a part of my Marco/Andrina legacy. They took such good care of me and taught me many important lessons when I was growing up. I spent so much time with Joe's mother, my Aunt Anna, helped in the store and went on deliveries with Joe Dean. Theresa always had a loving smile and hug for me and made the most divine chocolate cakes! She was a dear cousin whom I will miss deeply. I am thankful that we kept in touch through the years. My love and sympathy to Karen, Chuck and all the Gebetsburgers.*

“ *Mrs. Andrina was a delightful and special person. I met her several times along with her kind daughter Karen. We would attend family gatherings in Michigan when they would visit Chuck, Nancy & family. Nancy & my husband Rex are siblings. I always looked forward to seeing her & she will be sorely missed. My deepest sympathies to Chuck, Karen & their families.*

“ *I have wonderful memories of Theresa and Joe. And will always be thankful for their friendship of Sadie and James.* ”

Dad passed the "Andrina Sausage" recipe along to me years ago. And every so often we have a party to make sausage, drink wine and tell stories of James and Joe.

They touched many and are fondly remembered.

*As ever,

“ I have many vivid memories of visiting with her and Joe when my siblings and I went to the corner grocery store. We were just discussing their store and how much we miss the simplicity, friendliness and camaraderie the other day around the family dinner table. Theresa will be missed. God bless her and her family.

“ Theresa was a wonderful lady who was in the lives of my family for many years. I remember her from the Andrina's grocery store in my childhood. When I was in college, I was privileged to work with her and Bill Foreman at the finance company when I was home on breaks. She taught me many things there that I have used over and over in my career. Theresa and my Mom have been good friends for many years. She will be missed by all of the Ellis family. Karen and Chuck, our thoughts and prayers are with you.

“ Theresa was such a great cousin to our dad, a terrific cook, a perfect travelling companion, a wonderful younger cousin who wrote to a soldier(our dad) away from home. She and Joe were among our extended family who welcomed us to Okmulgee in the sixties when dad moved us to a better climate. I found out that she played the trumpet in high school like Amy, Devin, and me. She was greatly admired for her smile, her stamina and devotion to family, friends, and St. Anthony's Church. Theresa will be missed, but remembered with love.

“ Theresa was a kind and lovely woman. I remember Theresa and Joe and Mrs. Andrina from my early childhood. We traded at Andrina's Fine Grocery Store where Theresa often worked. My thoughts are with the family of Theresa.
