“ *Mom! 3 years ago today you took your last breath on this earth. It's a crazy world we are living in these days. I love you and miss you forever. ☐*

“ *Mom, it's been almost 4 Months and I still can't believe it. I don't want too. It doesn't seem real. I miss you so much. We are making it here without you but it's no easy task. We are sticking together like you wanted and we find our motivation in everything we do with your name on it! You still live on with us, we are following your lead and desires in everything we do and decision we make. I know you're proud of Dad! He's doing good, he misses you so much it hurts beyond comprehension. We all love you! I know you're not here but I'm going home for thanksgiving just like you wanted and we are going to eat together and decorate the house for Christmas and put up the tree just like you like it. Love you so much!*
