“ *Sam taught me so much. Checked on me, helped me, corrected me when I was wrong. He genuinely cared. We had so many long talks about so many things, either when we traveled together or when he'd stop by, or when I came to his house. He was "dad" to me. Stern, but fair. I only wish I could have learned even more of life's lessons and wisdom he had to share. He always found a way to look at the brighter side of situations and found ways to not let things bother him more than they should. Thank you Sam, for being a part of my life.*

Was so saddened to hear that our Sam the Pizza Man had passed. We always enjoyed his visits. He will be missed dearly. All of us never called him Sam but was known by "Sam the Pizza Man". He had some great pizza in Morris location and Okmulgee!! Prayers for Debbie and his family.
