“ *Sandy and I have been friends for many years. We have had a lot of good times together. She is a member of our Singles Sunday School Class and attended until she began to have health problems. When we visited her in the nursing home, she always wanted us to pray for her before we left. She was a dear friend and will be missed; but it is comforting to know I see her in heaven someday.*

Sandy was a joy to be around in Church and Sunday School. When ever we would meet, she would always ask "how is my daughter today?" She would always tell me how proud she was of her sons, and what was going on in their lives.
