“ You taught me to “burrito wrap” my NBN babies. Taught me they look much more fragile than they really are. You helped me become comfortable and confident about floating to the nursery. Three years later I thought about you every single time I burrito wrapped my own daughter...knees bent and magic soothing. I pray you’re as peaceful and cozy as those babies you cherished. I’ll cherish you forever in my heart. And our ornery school mischief. Appropriately cynical, funny, smart, beautiful. You made me laugh at the worst times. Thank you ❤️
