“ *Henry & Shirley,  
From my family to yours, please accept our deepest and most heart felt condolences, and accept our prayers during this time extreme pain and sorrow. While with time, the healing will begin, but as parents we can only imagine the number of "Why's" that might still echo, over losing a child...##imported-begin##Carver Dawkins &Family##imported-end##*

“ Henry & Shirley, I'll never figure out why God takes the youngest  
and Best amongst us unless it's just to give them more time in  
Heaven and the ability to show family and friends around when they  
arrive. I just don't know. I loved and missed all your children when I  
transferred and always looked forward to talking with them whenever  
I visited. You and Shirley certainly raised your children up right and  
Shela was a standout. I truly and sorry for your loss My sincerest  
and deepest Condolences.

“ My heart hurts with you at the loss of Shela. But we will see her again because of Jesus' death and resurrection. I was Shela's supervisor this year with the US Census. No one surveyed and mapped more of Okmulgee County than Shela. Shela was my go-to enumerator in Okmulgee. I still remember the photo sent to me of a turkey that chased/charged at Shela. Fearless, humorous, reliable, responsible, and honest are words to describe this woman of God. I am proud to call her my sister in the Lord. I miss her.
