“ *You have my deepest condolences. Shirley was an amazing woman and was very special to me. She hired me at AFNAFPO in 1991 and nurtured my contracting skills and instilled confidence in me, enabling me to advance further than I had allowed myself to imagine. We remained in touch after she retired in 1994 and spent time together after she had heart issues several years ago! She was an amazing supervisor, mentor and dear friend. She will be deeply missed by all who love her!*
