“ The card that I sent to my Mother-in-Law, JoAnn McCall, stated, " The world has lost a very special person." I couldn't have said it any better. Edward's Aunt Jean was the sweetest person I have ever met. She will missed by so many but never forgotten by all that knew and loved her. Mary McCall

“ *Dear Aunt Jean,
After hearing of your passing I spent some time, and tried to think of any other person in my life that could show so much love to people by simply walking in the room. No one could come to mind! Each day I try to fight the good fight of faith, and obedience to our Lord Jesus Christ, and in those tough times when it seems like everyone, and everything is against me, you are one of the examples that I try to live by. I have thought about it many times, and in reading the Bible I know that it is one of the greatest commands, to love others, I only wish that someday I could show the same kind of love that you always have toward people.
Thanks so much for your example in life.
Love you, B. King*

Mark and family - I am so sorry for your loss. I have many wonderful memories of Shirley. She was such a loving and caring woman and even with health issues, always had a smile on her face. One of my later memories that I thought was so sweet, was when she was coming to Church before going to the nursing home was that no matter what hymn was being sung she was singing "Jesus Loves Me" - it brought tears to my eyes. We have missed her and we will hold on to our special memories. You are all in our prayers. Sharon Schultz
