I seen you at the store, 1 month before you passed, and we talked, we talked about how long we have known each other, I miss you dearly, when I found out, that you was gone, I couldn't think for 3 days, cause you was heavy on my mind. I had so much fun hanging out and talking to you, and you always treated me good. I felt like when I met your stepmom, her and I became close too. I will keep in touch with her. You was a great friend to me, and I will never forget you. I loved you like a brother. LOVE, ANGEL!!!!

“ *I remember how he always had a smile and joke to tell. His personality was one who drew people to him and kept these people to see him as a friend for a lifetime. I spoke to him on his birthday and as always he was joking and thankful for being remembered on his big day. You will always be remembered and you will be dearly missed. Nothing but love for you and I am blessed to have been able to have known you and call you my friend. Rest in peace.*

“ *My life would have had a lot less laughter if I hadn't grown up down the street from Shondae.. Always with the jokes! For many years, he referred to me as "Frogger Brown, Frogger Brown - the fastest frog in town" because of playing the arcade game at the General Store. I'm pretty sure as far as he was concerned, that was my name (I'm not positive he ever referred to me any other way). It never bothered me and I considered it a term of endearment. He gave me a nickname that I will now treasure.*

My thoughts and prayers to his friends and family...he was my classmate and one of a kind.

*Deepest Condolences,
~Frogger Brown (Angela Brown Byars)*
