“ *I will never forget what a kick he got out of me not knowing who he was the last time we were together as a class. He thought it was so funny and laughed and laughed. I probably called him a "jackass" and made him laugh even more. I still remember him as the young, good-looking high school boy who didn't seem to have a care in the world other than football. I'm so sorry we didn't see each other more often. I'll miss you, Stanley Ray.##imported-begin##Debby Grimm##imported-end##*
