“ Loved Steve...Saddened by this news and want to send my love to the Hankins family. When I was a teenager I was part of a community playhouse that Steve directed. He taught me a lot about showmanship and he was always fun to be around.

Only today learned of Steve's passing. I send my heart felt sympathies to Steve's family. Steve and I spent many fun days running around our neighborhood, playing football, riding mini bikes, and getting into Bob's doghouse. Steve was a very kind person with a good heart, and we both shared a love of music. I know his soul is joyfully celebrating being with God.
