“ *I met Tim four years ago, he was a pleasure to work with and to be around. As I found out personally as people that knew him told me as we had worked together, how humble, faithful and trustworthy a man he is. They were all correct, we will all miss him. Our prayers go out to his family and great friends.*

“ Tim always made sure I felt like part of the family, even though I really didn't. Whenever he would see me at Walmart he always made me feel he had nothing else he had to do...just visit with me. I love each of you (Grammer family) and hold you near in my heart and prayers. So glad heaven is his home.
