“ We love you guys. Troy had a special place in our hearts. He has had a phenominal life and will be greatly missed. I used to sneak in the back door to check on things to buy some time before Randy picked on me, Troy would always start in on me anyways, the excitement he would have showing me his lastest projects and toys like he seen me as his friend not his dads is something I am going to really miss. we love you guys and think of you as family,,if there is anything you guys need now or in the future please allow us the privelage of being there for you.
