We are truly sorry, Kim for the loss of your Dad. We have you and your Family in our prayers. We have so many memories of Truman and Loretta raising you up at Nuyaka, where we all shared each other's children as they were growing up. I believe, those were special days in everyone's life in our community of Nuyaka. Even today we still have the love for each other's children and their families. In a special way we are all still family. We love you Kim. May God Bless You always.
