“ *Dear Brenda, Kathy and families. It is with heavy heart that I am sending my deepest sympathy to you at the passing of Jean. It has been so difficult for her since Adrian died and I know she has struggled without him.*

*Jean and I both married early, just like we were suppose to do in the '50's so we shared many of the same thoughts, values and songs.*

*I will miss knowing she is not with us, but feel she is happy to be by Adrian's side again.##imported-begin##Jo Bennett##imported-end##*

“ *I am so saddened to hear of Jean's passing. She was always so happy and smiling. I remember her laugh and how she loved having her family around her. I know you'll miss her greatly but know that she is no longer suffering and is reunited with Adrian and we'll see them both again someday. I love you all.*
