“ *I remember looking up to Vickie and her beauty, inside and out when I was young... so many fun memories. I remember being so scared at the stadium fireworks show.... Vickie took me with her and all a sudden the fear was gone. I love Vickie for who she was before the broken road. Always Family*

“ Miss Vicki, you will be so missed! What a angel God placed in this world! Despite everything we had some great laughs and good times thrown in the mix! You were quick witted. A character. I love you ma'am.
