“ I will always have the fondest memories of Vicki. Her sweet smile would light up a room and the way her face lit up when she talked about her girls. When my daughter, Bailey, would come over to play with Kayla, Vicki always had something fun planned and would make the girls giggle about something. Whether it was baking cookies, having John drive the girls on the golf cart, thru the nursery, in the dark, to spook them, or chasing down the crazy kittens, Vicki always had a smile on her face and laughter in her heart. Bailey will always have those great memories Vicki created for her childhood, and I will always be grateful to Vicki for that. (Even the memory of Vicki pulling Bailey's first tooth!) We love you Vicki and are praying for peace for your family.##imported-begin##Tammy Rowley Green##imported-end##
